

Year 4 Home Learning

Spring 2

Spellings

Spelling sessions take place daily. Our weekly spelling test takes place on Fridays. See the spelling overview on the Year 4 page of our school website.

Maths

MyMaths homework will be set as per the new home learning policy with weekly tasks linked to class topics. There will be a weekly start and end date for each task set meaning a shorter window of completion.

English

Non-fiction Descriptive Writing

Use your senses to create a list of everything you can see, hear, feel and smell inside or outside of your home.

Create a short descriptive piece of writing about this.

Science – Electricity

Make a list of as many electrical items you can find in your home as you can.

Think about your usual day to day routine and record all the different ways you use electricity.

Art and Design

After mummification, people were buried in a tomb wearing a death mask. Design a death mask for Tutankhamun.

Wellbeing

Think of an affirmation or mantra of positivity for you, and your class.

Design a poster about it to be displayed in school, or at home (see below for ideas).

PE- Athletics

To celebrate the World Athletics Indoor Championships in Glasgow, see how many of the activities (attached) that you can do.

Can you create your own athletics challenge for a friend or a sibling?

I AM
KIND

I am a
great FRIEND

I AM
SAFE

I love trying
NEW THINGS

I AM
HELPFUL

I am
THANKFUL

I AM BRAVE

I always
TRY MY BEST

ABC

I AM
IMPORTANT

I have
great IDEAS

I AM
CREATIVE

I have
many

GIFTS & TALENTS

I AM MINDFUL

I think POSITIVELY

I AM
HONEST

I AM
CALM

Activity 1
100 metres

Record your time for running 100 metres.

Activity 2
Skipping

Record how many skips you can do in 60 seconds.

Activity 3
Throwing

Using a ball (or similar), record how far you can throw.

Activity 4

Ask a friend or family member to take part in your own created activity.

Challenge your teachers to participate in your activity.
