

Dear Parents / Carers,

I am delighted that you are considering Stamford Park Primary School Nursery for your child.

At Stamford Park, we have been at the heart of the local community since 1905 and are incredibly proud of the rich, nurturing and ambitious education we provide for all our children. We know that a child's earliest experiences of education are vital in developing confidence, independence and a love of learning, and our Nursery provides a warm, stimulating environment where every child is encouraged to thrive.

To give prospective families an opportunity to experience life at Stamford Park, we are holding a number of Open Mornings over the coming months. These visits will allow you to see our Nursery children engaged in their learning and provide a flavour of the exciting opportunities available to them each day through play, exploration and discovery.

All visits will begin at 9.30am and last approximately 45 minutes. We feel that the best way to experience our Nursery is to see it in action, with children actively engaged in a range of learning experiences. There will also be an opportunity to meet with me and members of the senior leadership team, and we would be delighted to answer any questions you may have about our Nursery provision or your child's individual needs.

Tuesday 29th September
Wednesday 4th November
Thursday 3rd December

If you would like to attend one of these dates, please email childcare@spprimary.org.uk, providing your child's name, date of birth and your preferred session date.

Places are limited for each visit and booking in advance is essential. Unfortunately, we are unable to accommodate families who have not registered beforehand.

We look forward to welcoming you to Stamford Park Primary School Nursery and sharing what makes it such a special place for children to learn, play and grow.

Kind regards,

Sarah Price
Headteacher
