

Chers parents & carers,

The Happy Croissant French Club has been teaching extra-curricular French lessons at Stamford Park Primary school since 2022. From September 2026 we'll be switching from school time sessions to an after-school club, for pupils in **years 1-6**.

What to expect

French with a real focus on fun! Lessons are packed full of games, songs, stories and role-plays, providing children with a positive approach to language learning. I follow La Jolie Ronde's award-winning course which has been specially developed for children up to 12 years old. This course has a tried and tested methodology which prides itself on developing a child's confidence along with their language skills.

All lessons are taught by myself, Stephanie Bourke, a fully trained licensee of La Jolie Ronde, and a Stamford Park school mum of 3. My children were all born in France, where I lived and worked for almost 20 years, so an authentic French accent is guaranteed! I have a real love of France and a passion for the positives that come from discovering other cultures.
