

School Uniform Policy

School Uniform Policy

When pupils all wear the same clothing every day at school, any peer pressure on what to wear is removed and children develop a greater sense of equality. Creating a standard promotes the idea that we are all the same and we all expect to be treated with the same level of respect. Uniform also helps to develop a sense of pride in our school and develops a sense of community and belonging.

It is our school policy that all children wear school uniform when attending our school and we ask that parents please support us in ensuring that their child consistently wears the correct uniform so that standards remain high. Children are not expected to wear school uniform on their PE day(s) each week; on these days, children should come to school in their school PE kit.

Affordability

Stamford Park Primary School recognises the need to have an affordable school uniform. Branded items have been kept to a minimum and the school will offer financial support towards these branded items, where it is able to. Parents / carers should contact the school office for further information. Second hand items are also available from the school office and the PTA.

The Governing Body of Stamford Park Primary School will, on an annual basis:

- Assess the overall cost implications of our School Uniform Policy;
- Assess the impact variations in the uniform can have;
- Avoid frequent changes to the School Uniform Policy;
- Consider how cost affects different groups of people;
- Engage with parents and pupils when considering any changes;
- Engage with uniform suppliers to ensure costs are as low as possible.

Equal Opportunities

No child will be discriminated against in the area of dress and appearance on the grounds of gender, race, religion, disability or background. This policy has been formulated in line with our Equality Plan.
