

Year 1 Home Learning Summer 1

Reading

Please ensure that your child is reading as much as possible. Physical books are sent home on Friday to be returned the following Wednesday. The same book will still be issued online too via the E book site. A charge of £5 will be issued for any lost or damaged books.

Maths

This half term we will be learning about fractions. We will be looking at halves of objects and quantities and also quarters of objects and shapes. Using the shapes attached **can you cut the different shapes into $\frac{1}{2}$ and $\frac{1}{4}$ can you label them using our fractions?**

We will also be learning about multiplication and division. **Can you use small counters (pasta, shells, pebbles, lego pieces) to make different group amounts?**

Can you make:

5 groups of 2

4 groups of 3

6 groups of 5

3 groups of 10

How many different groups can you make?

English – The Bog Baby

This half term we will be reading the story of The Bog Baby By Jeanne Willis and Gwen Millward

<https://www.youtube.com/watch?v=0twzqjXOfek>

Can you create a habitat for Bog Baby to live in out of a shoe box or anything similar? What features will the habitat have? You can be as creative as you like, please send in pictures or bring in your creations.

Can you write the story of The Bog Baby using all our year 1 story writing skills?

Capital letter, finger spaces, full stops, adjectives, conjunctions (and, but, because, so)

Can you use some of these vocab words in your writing, *adventurous, enchanted, trudged, tentatively and adorable.*

History – Who is the Royal family?

As part of our History topic we will be learning about the Royal Family. We will be looking at our reigning monarch and past monarchs too. We will be looking at the importance of family trees.

Can you create a family tree of your family? This can be done, digitally, electronically, drawn or written

Computing- Photography

As part of our computing curriculum we have been and will be continuing to look at photography.

Can you use a digital device to take some pictures of things that interest you? E.G Ms Esa enjoys different types of food so would take pictures of different food dishes.

Can you edit the pictures on your device? I.E the size, the colour, the tone
Create a picture collage of all your photographs.

If you do not have access to a camera of any kind, please use magazines to create a picture collage of pictures that inspire you. These can be cut out and stuck on paper to create a collage or find pictures on the internet to create your collage.

Spellings

Spellings were sent home on the last day of Spring 2 ready for summer 1. These can also be found on the website if they have been misplaced. Spelling tests will continue to take place on **Fridays.**
