Extra-Curricular Clubs

The autumn term timetable for extra-curricular school clubs is available on the next page, along with the relevant costs for each club. Mr Spinola and Mr Heathcote run the majority of our sport clubs, with other school staff running additional clubs. As a result of parental feedback about limited spaces in certain clubs (Art, Dodgeball, Football, etc), we have increased availability from September.

We are also delighted to offer several new clubs and opportunities during the coming academic year, which are being run by our own school staff. As many of you will be aware, schools are facing a funding crisis and Mrs Price wishes to express her thanks to the high number of staff here who have volunteered their time to provide additional opportunities for our children. *We are also excited to offer some clubs to our new Reception children from September too.*

Our excellent percussion teacher, Stuart, is also offering a new afterschool Samba club too. This is open to both children who currently have lessons with him and children who are interested in potentially learning in the future and bookable via Parentpay.

There are limited places available for all clubs and these are allocated on a first come first served basis. Most payments should be made via your child's Parent Pay account and your consent should be provided by ticking the appropriate box. **Booking will open at midday on Tuesday 25th June.**

Please note, any behaviour which poses a risk to the health and safety of individuals, or any behaviour which does not adhere to our Pupil Code of Conduct (as referenced in our Behaviour Policy), may result in an individual being removed from a club.

From September, children must wear their school PE kit to take part in all school sports clubs; football kits will no longer be allowed as we are aware these are causing some issues. Should your child attend school in a football kit, we will have spare PE kits available for children to borrow.

No refunds will be issued for any clubs unless a child leaves the school. We are also unable to swap children from one club to another.

Thank you for your continued support of the school and to the staff that run the clubs.

Yours sincerely,

Mr A Spinola
