Dear Parents / Carers,

I am delighted that you are considering Stamford Park Primary School for your child.

At Stamford Park, we have been at the heart of the local community since 1905 and are incredibly proud of the rich, nurturing and ambitious education we provide for all our children. We are committed to helping every child achieve their full potential through a broad and engaging curriculum, high-quality teaching and a strong focus on personal development and wellbeing.

To give prospective families an opportunity to experience life at Stamford Park, we are holding a number of Open Mornings over the coming months. These visits will provide an opportunity to see our school in action, meet our pupils and staff, and gain a flavour of the many opportunities available both inside and outside the classroom.

All visits will begin at 9.30am and last approximately one hour. We feel that the best way to experience our school is to see it during the school day, with children actively engaged in their learning. There will also be an opportunity to meet with me and members of the senior leadership team, and we would be delighted to answer any questions you may have about the school or your child's individual needs.

Wednesday 9th September
Thursday 1st October
Tuesday 10th November
Wednesday 16th December

If you would like to attend one of these dates, please email childcare@spprimary.org.uk, providing your child's name, date of birth and your preferred session date.

Places are limited for each visit and booking in advance is essential. Unfortunately, we are unable to accommodate families who have not registered beforehand.

We look forward to welcoming you to Stamford Park Primary School and sharing what makes our school such a special place to learn, grow and succeed.

Kind regards,

Sarah Price
Headteacher
