

Dear parents,

We are delighted to continue to provide our Art, Craft and Design extra Curricular club to Stamford Park Primary School on a Wednesday in the Summer term of 2026, for Years 3 to 6.

We will be covering the theme of “ **Make the Change**” with sessions looking at environment, recycling and ideas on how we can reduce, reuse and recycle.

This is a great opportunity for children to understand to strong overlap between our environment, our impact and creativity. The sessions will run every Wednesday from 3.30pm until 4.30pm. Spaces will be available to book from Friday 6th of March and will be on a first come, first serve basis. The session cost is £7.50. Pupils will bring work home each week inspired by the theme they have looked at. **The sessions are available to book for the full term only.**

This is the link to book and goes live on Friday 6th March.

Within the structure of Create Club sessions, there are many key skills that are being addressed

These areas include:

- Producing creative work and exploring their ideas, experiences and imagination
- Using drawing, painting, sculpture and other creative expression and using a range of materials to design and make products.
- Developing techniques with colour, pattern, texture, line, shape, form and space using clay and printing to a large scale and in 3D.

Most of all we want the children to have fun, try new things and enjoy the process of making. We look forward to meeting you and cannot wait to create awesome things with you.

Please note, The Creation Station Altrincham will also be running Easter Holiday Art Camps, for those children who wish to have full creative days with us during the holidays!

The Link to book for holiday camps is here:-

portal.thecreationstation.franscape.io/class-overview/9864 for Easter Holiday sessions.

If you wish to enquire about our sessions, please feel free to contact us on the information below.

Kindest Regards,

Lucy Porter
